

Translation of Arabic Version into English Language

Basic conditions for the acceptance of scholarship students for non-Saudis in Saudi universities:

1 – Admission requirements which are applicable to the Saudis in higher educational institutions are also applied on internal and external scholarship students.

2 - Subject to the provisions of paragraph (1) above, it is required for foreign scholarship students the following:-

A. Age of student's acceptance not less than (17) years and not more than (25) years for University and Arabic Language Learning Institute Levels or equivalent, and (30) years for the Masters, and (35) years for Ph.D. and the Council of the Education Board has the right to exempt someone from these conditions.

B. the Government of the Country of the student should agree for the student's studies in the Kingdom for the countries which requires this condition for Saudi students.

C. the student has not received a scholarship from another scholarship programs from any other educational institutions in the Kingdom.

D. the academic certificates (transcripts) and identity papers of the student should be attested/ratified by the competent authorities determined by the educational institution.

E. to bring no criminal police record or certificate from security authorities in his country.

F. he or she is not terminated from any educational institution in the Kingdom.

G. Mahram (accomplice) must accompany a female student, according to the set forth instructions in this regard, to be covered by the scholarship or grant or have regular residence or submit a demand letter to an employer that he needs/requires his services.

H. To pass the medical examination determined by the regulations and instructions.

I. the educational institution to require recommendation letter from one of the student organizations/bodies, institutions or personalities determined by the institution.

3 – The Educational Council sets the Executive rules governing the acceptance of scholarship students from the inside, taking into account of the following:

i - That the student gets the approval of his study record from the authority to study in the educational institution.

ii - that the student is a legal resident on a regular residence permit/iqama in the Kingdom.
